9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

Client lives in a Senior home that provides one meal a day Monday - Friday at the cost of \$165.00. It is mandatory that the resident participates in this food service program as a condition of occupancy. She can only be excused from participation in the meal program with a doctors note. If the client declines to participate in the program without an exemption (verified by the doctor's note) either she or the facility may give 30 days written notice of termination of the lease. Client provided us a receipt from the facility which listed \$165 for the meal program and \$229 for the rent totaling \$394.

Since the meal plan is part of her rental obligation and a condition of occupancy which she must pay it in order to continue to live there do we allow the full \$394 for rent or do we only allow \$229 as her rental obligation.

10. REQUESTOR'S PROPOSED ANSWER:

We should allow her the full \$394 as her rental obligation since she has to pay \$394 to continue to reside there.

11. STATE POLICY RESPONSE (CFPB USE ONLY):

CDSS concurs with county's proposed answer. CWD should allow actual shelter cost.
